

Meet Mobe. Your Benefits Resource Mobile App.

With Mobe, your benefits are just a tap away!

This button, branded and customized for you, is loaded with useful features like:

- Up to six home page buttons
- “Tap to call” function
- Easy, one-tap install
- Fast development and updates
- Optional push notifications and messaging*
- Carrier and wellness contact information
- Links, videos, newsletters and more!

Go Dutch — you make the investment, we take care of the rest.

The pricing structure, based on the number of users, covers your entire app development, distribution and maintenance for one year. One simple investment and you are up and running in no time. Easy, right?

What’s included?

- Initial design and app setup, testing and approval
- Choice of two promotional materials (flier, poster, postcard or email) with a custom QR code for app access
- One push notification (if applicable) and app update per month*

*Available with \$99 annual Apple Developer Account fee.

Benefits At Your Fingertips: Fees & Accessibility Options
