

# Meet Benefit Spot: Your Mobile Benefits Resource

## 24/7 Access for the Employee on the Go

Did you know that the average person spends nearly six hours per day on digital media? With HUB Benefit Spot, you can give your client's employees easy access to their benefits information with just a tap of an app.

### Key Features

- Choose six OR nine home page buttons
- A selection of QEX/Made For You banners to highlight their personalized benefits
- "Tap to call" function
- Unique company code employees can enter when opening the app, to access your company's benefits information
- Links to benefit resources, including Benefits Guide and plan documents
- Links to cost comparison tools and carrier contact information
- Compatible with Apple and Android devices

### Home Page Button Options

- Benefits
- Contacts
- Videos
- Terminology
- Eligibility & Enrollment
- Benefits Resources
