

# SAVE ON YOUR COMMUTING COST

We can't guarantee an easy commute to work,  
but we can make it a little easier on your wallet!

## TAX-ADVANTAGED COMMUTER ACCOUNTS

These accounts allow you to set aside pre-tax dollars to pay for transit and parking expenses related to your commute to and from work. This means the deductions will be taken out prior to your federal income tax, which lowers your taxable income and allows you to keep more of your pay.

You can contribute up to \$\$\$ per month each to a transit account and/or parking account.

## ELIGIBLE EXPENSES

### TRANSIT ACCOUNT

- Fares and transit passes for transportation to and from work in a commuter vehicle, such as train, bus, subway or ferry
- Qualified vanpools (vehicles seating six or more passengers, including rideshare services like UberPool and Lyft Line)

### PARKING ACCOUNT

- Qualified parking at or near your work or the place from which you commute using mass transit (this does not include parking at or near your home)

## REIMBURSEMENT

You can use your commuter account debit card to pay directly for services, or pay out of pocket and submit a request for reimbursement.

## NOTE

Unused funds carry over from month-to-month.  
However, you will forfeit any unused balance  
if you leave your employer.
